Keith Noreika Interviewed on *Bloomberg Markets Radio* Concerning Intersection Between Banking and Technology

01.23.18

Corporate Partner Keith Noreika was interviewed in a *Bloomberg Markets Radio* broadcast discussing banking charters for tech firms, outlook for changes to the banking industry and bitcoin as a currency, among other topics. The show, “P&L with Pimm Foxx and Lisa Abramowicz,” runs weekdays and focuses on market coverage as Wall Street begins its day, with analysis from Bloomberg Intelligence analysts and influential newsmakers.
