Cheryl Scarboro Speaks at “GIR Live Women in Investigations” Conference

06.29.18

Litigation Partner Cheryl Scarboro recently spoke at *Global Investigations Review*'s “GIR Live Women in Investigations” conference on June 28 in London. The inaugural event offered a day of debate and discussion featuring leading women investigation specialists from around the world. Cheryl spoke on a panel titled “Practical aspects of international investigations and Q&A,” where panelists discussed their experiences in previous investigations as well as hot topics in the industry.
