David Azarkh Presents on Navigating the SEC IPO Comment Process

08.20.19

David Azarkh presented a webinar, “Navigating SEC Comments During the IPO Process,” hosted by TechGC that focused on the art of communicating with the Securities and Exchange Commission. In addition to exploring the evolution of the quantity and focus of SEC comments encountered during the IPO registration process, the webinar offered practical guidance for responding to SEC comments and securing efficient registration statement clearance.
