## Art Robinson and David Azarkh to Speak at TechGC's National Summit

10.18.19

Global Head of the Firm's Capital Markets Practice Art Robinson and Corporate Partner David Azarkh will both co-lead roundtable discussions at the TechGC's 2019 National Summit on October 24 in New York. Art will moderate a roundtable discussion titled "Positioning Your Company for an IPO 18 Months Out," which will touch on several ways to prepare for an IPO, including building a public company management team, recruiting a public company board and understanding the company's comparables, among other topics. David will co-lead the conversation "Executing an IPO in Today's Environment," which will focus on how to best plan and prepare for an upcoming IPO.
