## Benjamin Wells Speaks at IPAVision 2020 Conference

10.30.20

Partner Benjamin Wells spoke at the virtual IPAVision 2020 conference on October 28th hosted by the Institute for Portfolio Alternatives (IPA). Ben was a featured speaker on a panel titled, “The Transformation of Publicly Registered Funds.” The discussion focused on the pros and cons of accessing commercial real estate in perpetual non-listed REITs, modern day life-cycle non-listed REITs, interval funds and tender offer funds, among other topics.

The conference features leaders from across the IPA community discussing the critical issues facing the industry today and the innovative solutions driving meaningful change for the future.
