Todd Crider Participates in NYSBA Panel on Latin American Investment in the U.S.

11.16.20

Corporate Partner Todd Crider will participate on a New York State Bar Association panel titled, “Looking At The North: Investment Opportunities For Latin American Companies” on November 18th. The roundtable will address the experience of Latin American companies and family groups investing in the United States, discussing experiences, business trends and opportunities, as well as the due diligence process and legal issues, among other topics. The panel will feature commentary from leading legal practitioners and investment professionals.
