Todd Crider Speaks at Pro Bono Work & Access to Justice Conference

11.18.20

Corporate Partner Todd Crider spoke at the Pro Bono Work & Access to Justice Conference hosted by Fundación Pro Bono Colombia and the Pro Bono Network of the Americas on November 18th. Todd spoke on the panel titled, “What is pro bono work and why do it?” The conference focused on pro bono work in Latin America, including the social responsibility of the legal profession, obligations of lawyers and academia, and the actors, actions and results in connection with access to justice. Todd is a founder and member of the Executive Committee of the Cyrus R. Vance Center for International Justice and member of the Executive Committee of the Pro Bono Network of the Americas.
