Keith Noreika Participates in Panel on What the New Administration Means for Fintech

12.07.20

Partner Keith Noreika spoke on a virtual panel hosted by LendIt/Fintech Digital on December 7th titled, “What the New Biden Administration Really Means for Fintech.” Keith discussed what a Biden presidency means for the Federal Reserve, FDIC, OCC and CFPB, how the federal banking agencies should move forward with Fintech charters and what regulatory issues the Fintech industry should be focused on, among other topics.
