## Sandy Qusba Speaks at J.P. Morgan Global High Yield & Leveraged Finance Conference 2021

03.04.21

Restructuring Partner Sandy Qusba spoke at the annual J.P. Morgan Global High Yield & Leveraged Finance Conference on March 3rd. Sandy was featured on a panel titled, “Bleeding Edge of Distressed Investing,” which focused on distressed investing in today’s market. The virtual discussion touched on liability management techniques, investment opportunities in restructurings, the rise of the direct lender and debtor-in-possession financing facilities that convert to equity.
