Joe McLaughlin and Todd Crider to Participate in a Program on Structural Issues in Law Firm Management

03.22.21

Litigation Partner Joe McLaughlin and Corporate Partner Todd Crider will participate in an online program co-hosted by Fordham Law School and Mattos Filho titled, “Structural Issues in Law Firm Management.” Joe and Todd will be speaking in a session on March 26th titled, “Firm Structures and Governance—Part II.” The program will bring together leaders from top law firms and companies from around the world to discuss best practices for law firm management and the role of partners in law firms. Topics will include law firm goals and strategies, firm structures and governance, strategic management and planning, and pro bono practice, among other topics.
