

Todd Crider and Grenfel Calheiros Quoted in *Latin Lawyer* on 2022 LatAm Deal Market

12.02.22

Todd Crider, Head of the Firm's Latin America Practice, and Grenfel Calheiros, Head of the Firm's São Paulo office, were quoted in *Latin Lawyer's* Deal Tracker Report and a related article. The report highlighted that *Latin Lawyer* dubbed the Firm as the most active international firm in Latin America during the first half of the year and also provided an outlook on the state of deal activity in the region. In describing the market, Todd noted that inflation, war in Europe and credit tightening have all affected dealmaking, although "Remarkably, momentarily defying gravity, some economies are showing resilience." Grenfel added that despite challenging market conditions, "There are still companies that are engaging in transactions either to fuel their day-to-day activity or necessary growth, or to deploy the large amounts of capital amassed during the unprecedented equity markets performance in 2021."
