Vanessa Burrows Speaks at PLI's Hot Topics in Health Care Law Program 2022

12.09.22

Counsel Vanessa Burrows participated in the Practising Law Institute's (PLI) Hot Topics in Health Care Law program on December 8 in New York. Vanessa spoke at a session titled, "What's New in Telehealth and Electronic Health Records Management," which explored the quickly evolving arena of telehealth and electronic health records, and addressed the special fraud alert on telehealth, Electronic Health Records enforcement, managing compliance in the evolving world of digital health, as well as provided an overview of key policy issues in expanding coverage for telehealth at the federal and state level.
