Ashley Belton Gold Named a “New Face of Finance” by *Private Funds CFO*

01.13.23

Fund Finance Partner Ashley Belton Gold was named a “New Face of Finance” by *Private Funds CFO*. Recipients are under the age of 40, have demonstrated leadership and innovation, and possess a certain “X factor,” marking them as future leaders in private funds finance. In the feature, Ashley credits her “endlessly innovative” clients for providing opportunities to work on cutting-edge financial products that help define the fund finance market.
