Vanessa Burrows Participates in the Virtual Fortieth National HIPAA Summit

03.10.23

Counsel Vanessa Burrows was a featured speaker as part of the Virtual Fortieth National HIPAA Summit on March 9. Her presentation focused on HIPAA considerations in M&A transactions, federal and state enforcement initiatives, recent HHS and FTC actions, and privacy and security practices. She and her fellow panelist also discussed different ways to improve compliance with HIPAA and other privacy and security laws governing health information.
