Lori Lesser Featured in ChIPs Network Q&A Series for Women's History Month

03.13.23

Lori Lesser, Head of the Firm's Intellectual Property Practice and Co-Chair of the Privacy and Cybersecurity Practice, was featured in a ChIPs Network social media series in honor of Women's History Month. Building upon the United Nations' theme for International Women's Day 2023, "DigitALL: Innovation and technology for gender equality," the series features insights from experts in tech and IP law and policy.

ChIPs Network is a nonprofit membership organization with 25 chapters and 5,000 members in North America, Europe and Asia-Pacific. ChIPs advances and connects women in technology law and policy. The organization accelerates innovation through diversity of thought, participation and engagement.
