Jennifer Levitt Moderates Fireside Chat with Angel City FC President and Co-Founder Julie Uhrman

07.14.23

On July 12, Partner Jennifer Levitt moderated a fireside chat with Angel City Football Club (ACFC) President and Co-Founder Julie Uhrman. The conversation, which was held at Los Angeles' BMO Stadium and hosted in conjunction with Women in Fund Finance, discussed Julie's background as an investor, the founding of Angel City Football Club, the future of investing in women's sports and empowering female teams.

ACFC, Los Angeles' sole professional women's soccer team, debuted in 2022 in the National Women's Soccer League. Ms. Uhrman founded ACFC with Academy Award-winning actress and activist Natalie Portman, technology venture capitalist Kara Nortman and venture capitalist, 776 founder and Reddit co-founder Alexis Ohanian. ACFC is one of the world's only majority female-founded and run professional sports teams.
