

Mimi Cheng, Jennifer Levitt and Jonathan Lindabury Co-Author Chapter in *Fund Finance 2022*

01.27.22

Corporate Partners Mimi Cheng, Jennifer Levitt and Jonathan Lindabury co-authored a chapter for Global Legal Insights' *Fund Finance 2022* titled, "Backleverage financings: Insights into the margin loan." The chapter highlights the increase in the use of backleverage products, such as margin loans, as a tool for leverage by sophisticated borrowers. It further outlines the key elements comprising a typical margin loan facility, explores some of the reasons why margin loans are attractive to certain types of borrowers, and surveys some of the mechanical elements that are implicated during the day-to-day maintenance of a margin loan facility, among other topics.
