Daniel Honeycutt is Counsel in the Firm's Registered Funds Practice. Based in the Firm's Washington, D.C. office, he provides creative and sophisticated counsel to a diverse array of companies in the financial services and real estate industries, with extensive experience advising REITs on a wide range of formation and transactional matters. Daniel guides clients through complex public and private capital raising matters, including initial public offerings and follow-on offerings, Rule 144A offerings and private placements, as well as significant preferred stock and debt offerings.
