David Zylberberg advises companies in highly complex corporate restructuring matters, with a focus on chapter 11 restructurings. David also has represented companies in chapter 15 restructurings implementing proceedings in foreign jurisdictions, such as schemes of arrangement in the U.K. and Australia.

David also frequently represents creditors and acquirers of distressed companies, including several representations of private equity and hedge fund clients converting debt into controlling equity positions.

PRACTICE FOCUS

Restructuring Corporate Special Situations

INDUSTRIES

Energy – Power and Renewables Healthcare
