Co-Head of the Firm's Environmental Practice, Mike Isby focuses on the environmental aspects of mergers and acquisitions, securities offerings and lending matters. His practice also includes environmental law compliance counseling. Mike has been recognized for environmental law expertise in publications such as *Chambers USA*, where he has been praised by clients as being "very smart and diligent" and "a pleasure to work with." Clients further lauded his ability to "see down the road further than others, approaching issues from a commercial perspective."

PRACTICE FOCUS

Corporate Environmental

Environmental, Social and Governance (ESG) and Sustainability

Mergers and Acquisitions Corporate – M&A
