Nicholas Ridley is Counsel in the Firm's Investment Funds Practice. Based in the Firm's Washington, D.C. office, Nicholas focuses on complex regulatory and transactional matters including providing sponsor and adviser clients with practical and creative solutions to regulatory, compliance, and enforcement issues. Nicholas has extensive experience collaborating with clients to develop innovative retail products, pursue novel applications for SEC exemptive relief, and address emerging compliance and regulatory considerations impacting asset managers, private funds, registered funds, business development companies (BDCs), and fund boards. In addition, Nicholas frequently counsels both asset management
