Bilingual in English and Japanese, Taki Saito is a Partner in our Tokyo office, concentrating on capital markets and M&A transactions. He regularly advises issuers and underwriters on global securities offerings by Japanese issuers—including Rule 144A/Regulation S offerings and U.S.-registered offerings, as well as listings by Japanese issuers on U.S. securities exchanges. Taki's IPO clients include Skymark in its \$244 million IPO and global offering of shares, including Regulation S/Rule 144A offering of common stock; and Socionext in its \$450 million IPO and listing on the Tokyo Stock Exchange and Regulation S/Rule 144A offering of common stock, which is also the largest Japanese IPO of 2022. On debt offerings, he has
