David Teh co-leads the Alternative Capital and Private Credit team and has deep and versatile experience advising direct lenders, investment banks and corporate borrowers across many sectors on a broad range of direct loans and syndicated credit facilities. His work includes both U.S. and cross-border leveraged acquisition financings, unitranche facilities, ‘recurring revenue’ loans, ‘stretch senior’ loans, first and second lien credit facilities and leveraged and investment grade corporate credit facilities. David also advises on financings for workout and restructuring situations, recapitalizations and other customized loan financings.
